Re: Caleb McGillvary v. James Galfy, et al.  
Civil Action No. 2:21-cv-17121

Dear Judge Arelo:

This office represents Defendants, Union County Prosecutor's Office, Theodore Romankow, and Scott M. Peterson (hereinafter "UCPO Defendants"), in the above captioned matter. We are in receipt of Plaintiff Caleb McGillvary's Motion for an Order that Facts or Genuineness be Taken as Established, which was filed on April 12, 2024 (ECF 94).

The UCPO Defendants ultimately take no position on this motion. Upon reviewing the motion, it is clear that the motion concerns requests for admissions served on other parties and does not concern the UCPO Defendants. (ECF 94) The UCPO Defendants have never been served with requests for admissions, and the motion does not suggest that the UCPO Defendants should be answering any requests for admissions. As such, the UCPO Defendants take no position with respect to the motion.

Should Your Honor have any questions or concerns, please do not hesitate to contact me at any time.
